### **Deadline Extended for Opening on Parks & Recreation Commission**

The City of Sedona Parks & Recreation Department has one opening on the Parks & Recreation Commission. Here is a chance to make a real difference in your community, help design the future of our parks and recreation program, take an active part in your city government, meet new people, have fun, and have a positive influence on the future of Sedona.

The Commissioners serve as a communication link between citizens, the Parks & Recreation Department and the City Council. They are responsible for supporting the City's goals and objectives and for providing useful, accurate, and timely information to the staff and City Council regarding public open space, trails, city parks, and recreational opportunities.

Some of the projects that the commission will be working on include: the Creek Walk; developing new trailheads; looking at easements; designing exhibits; planning regional events; developing a marketing program; and planning bike trails.

Applicants should have an interest parks and recreational issues, be willing to volunteer their time to improve our community, and enjoy working with others to solve problems and provide new ideas. Applications will be accepted from residents living outside of the city limits.

For more information and an application, visit City Hall at 102 Roadrunner Drive or call Marie Brown at 282-3113. Applications must be received no later than 5:00 p.m. on Friday, May 26, 2006.
